About the conference

Eclipse Summit India 2016

India's Premier Conference nurturing the Eclipse Ecosystem
Bangalore, August 25-27, 2016

Eclipse Summit India, presented by the local Eclipse Community in collaboration with [The Eclipse Foundation](#), is designed by the community, for the community.

This is a great opportunity to meet and get to know hundreds of the world's top Eclipse talent. Whether you're looking to connect with experienced developers and users of Eclipse-based and related technologies, hire developers, promote your product, or just give back to the community, this is the place to be. We love helping our sponsors find innovative ways to interact with the community and achieve a great return on their investment in the conference.
